

# The Pinehaven Tennis Club

The Pinehaven Tennis Club Inc's modern clubhouse and four plexipave courts is situated in the pleasant surrounds at the centre of the Pinehaven Reserve and caters for a wide variety of ages and capabilities.

Being the largest tennis club in the upper Hutt Valley we pride ourselves in offering to our Junior players an extensive programme of coaching and play under the tutelage of qualified professional and amateur coaches.

Our teenagers are not forgotten with a mix of both organised social club and interclub participation available.

Seniors, who range from eighteen to eighty, have a variety of organised club activities to participate in - club mornings - club afternoons - club evenings; or that extra step of interclub play - the choice is limited only by the player's availability.

Of course, in all instances, the tennis courts are available to club members in those times outside club organised play.

Currently the Pinehaven Tennis Club Inc 2004/5 annual subscriptions are as follows:

Junior/Intermediate \$90. Advanced Intermediate \$110. Senior \$155. Family \$400.

(These subscriptions include an affiliation fee to Hutt Valley Tennis and New Zealand Tennis).

To give some idea of value for money to a player in organised club play time this equates to:

Junior \$1.23 per play hour. Intermediate \$0.94 per play hour.

Advanced Intermediate \$0.30 per play hour. Senior \$ 0.48 per play hour.
